Gallery One is operated by volunteers without administrative costs supported in part by the Jackson County Art Council and the North Carolina Arts Council, a state agency of the Department Cultural Resources, and by membership and public contributions

Our purpose is to represent artists in our community; to encourage creativity in all forms of the visual arts; to disseminate and to promote the creation of art at all levels and all ages through exhibitions, instruction, speakers and demonstrations; to support arts education and the efforts of emerging artists.

Called meetings are held during the season of May through December. Our meetings, classes and programs are held as advertised throughout the season on Facebook, our webpage and Instagram. Our programs are dependent on our membership and their interests and abilities to facilitate the programs. Regular times for cleaning the gallery will be scheduled to be performed by the members.

Our ability to advertise through the county resources requires our gallery to be family friendly no human nudity , sexual or graphically violent images or objects may be exhibited.

Membership is open to artists, students and patrons who wish to support the visual arts and the objectives of the association. The fiscal year runs January 1 to December 31. Membership includes admission to all programs, opportunity for exhibition and sale of member's art, and discounts for workshops and other fee generated programs.

Gallery One commission on sale of artwork in the gallery for members is 15%, non-members 25%. Commission fees may be reduced if hours at the gallery are scheduled.

Please use the form below for new or renewal of your membership to JCVA and thank you for joining.
